ARTIST'S VISUALISATION

INNER CITY INDULGENCE

Located in the heart of Belmore village, this niche boutique development consists of 26 thoughtfully designed apartments to compliment those who demand a high standard of living.

EACH SPACIOUS APARTMENT IS FITTED WITH PREMIUM QUALITY fittings and appliances that showcase the convenience of modern day luxury apartment living. Residents of this exclusive development will enjoy retail amenities at their doorstep with the ground floor being transformed into a bustling hub of trendy cafés and specialty stores to be relished by all.

Commuting couldn't be easier whilst living here – the bus, which takes you across Belmore's surrounding suburbs is across the road from Centra Apartments. The train from Belmore Station will take you into the CBD in 25 minutes and to Sydney International Airport in 30 minutes.

Excite your taste buds with an abundance of cuisines at your door step. Burwood Road is filled with buzzing restaurants and convenient take out choices.

You will be spoilt for choice when it comes to shopping and recreation. With two Westfield shopping centres in Burwood and Hurstville, DFO and Rhodes shopping centre each approximately 30 minutes' drive from Centra, your hardest decision will be where to go. Belmore Sportsground is where you will catch live matches and football and Rugby League, and best of all, the stadium is within walking distance from Centra.

Newington College and All Saints Grammar, just some of Sydney's astute private schools are minutes away from Centra. A short distance away and you will find all your grocery needs at Woolworths supermarket. Canterbury Hospital is also only moments away.

Centra's superb location makes it an excellent choice for anyone looking to secure a property in this ever popular suburb that is attracting astute investors and owner-occupiers alike.

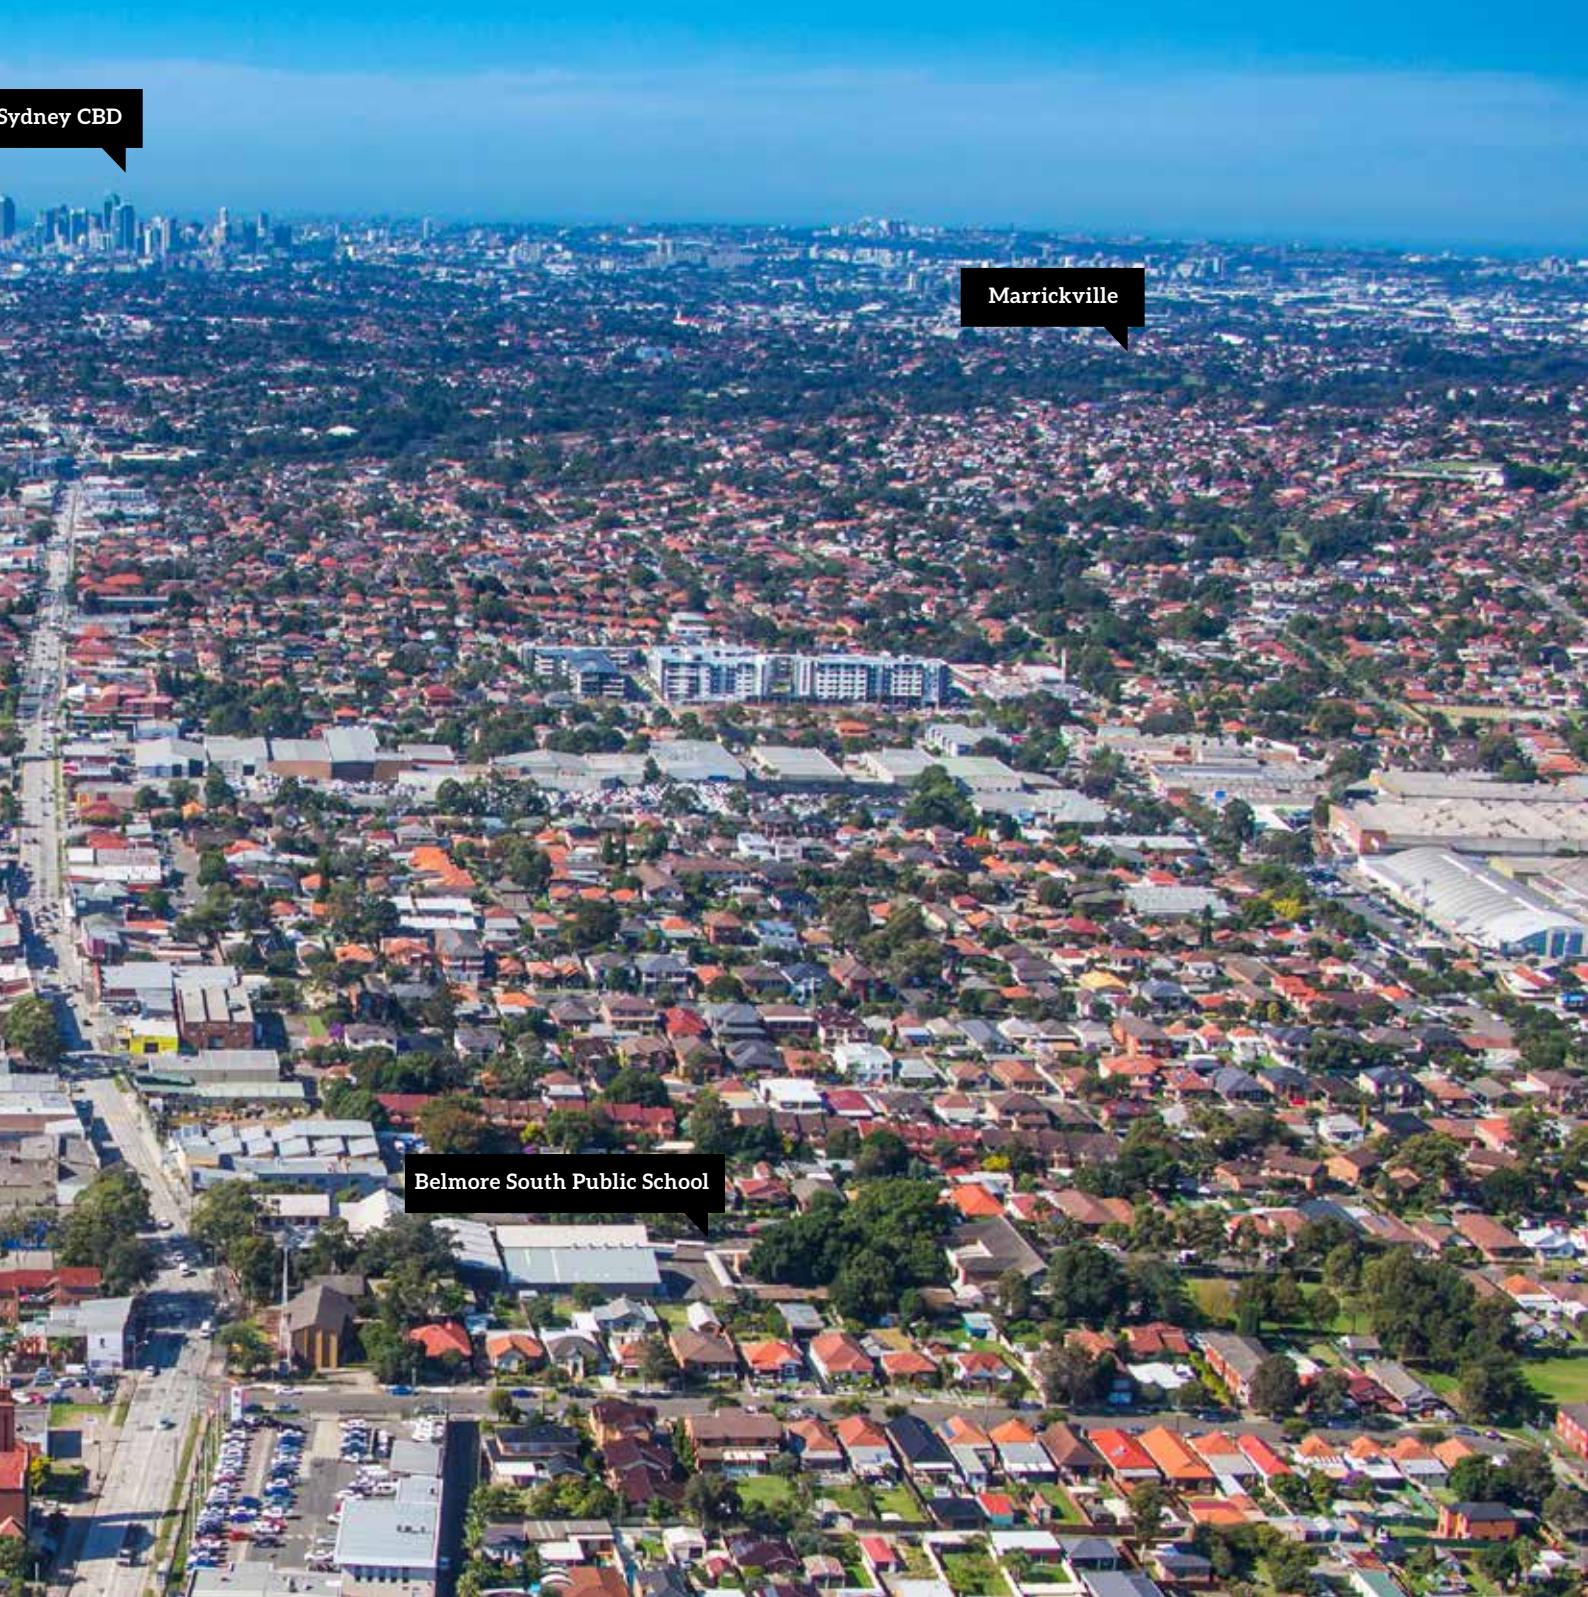

TOP TEN POINTS

01. Boutique development of 26 spacious apartments all with parking
02. Each apartment thoughtfully designed by reputable architects, CK Design
03. 300m to the train station, close to major roads and highways including the M5 motorway
04. Affordable and very competitively priced
05. DA Approved - Under Construction
06. Expected settlement April 2017
07. 13km to Sydney CBD with two Westfield shopping center's under 7km away (Burwood 6.5km and Hurstville 6.6km)
08. Vacancy rates in Belmore are 30% lower than the Sydney average
09. Established infrastructure and close to all amenities - top schools, universities, transport and hospitals
10. Trendy and contemporary retail and dining precincts nearby

CENTRALISED LOCATION

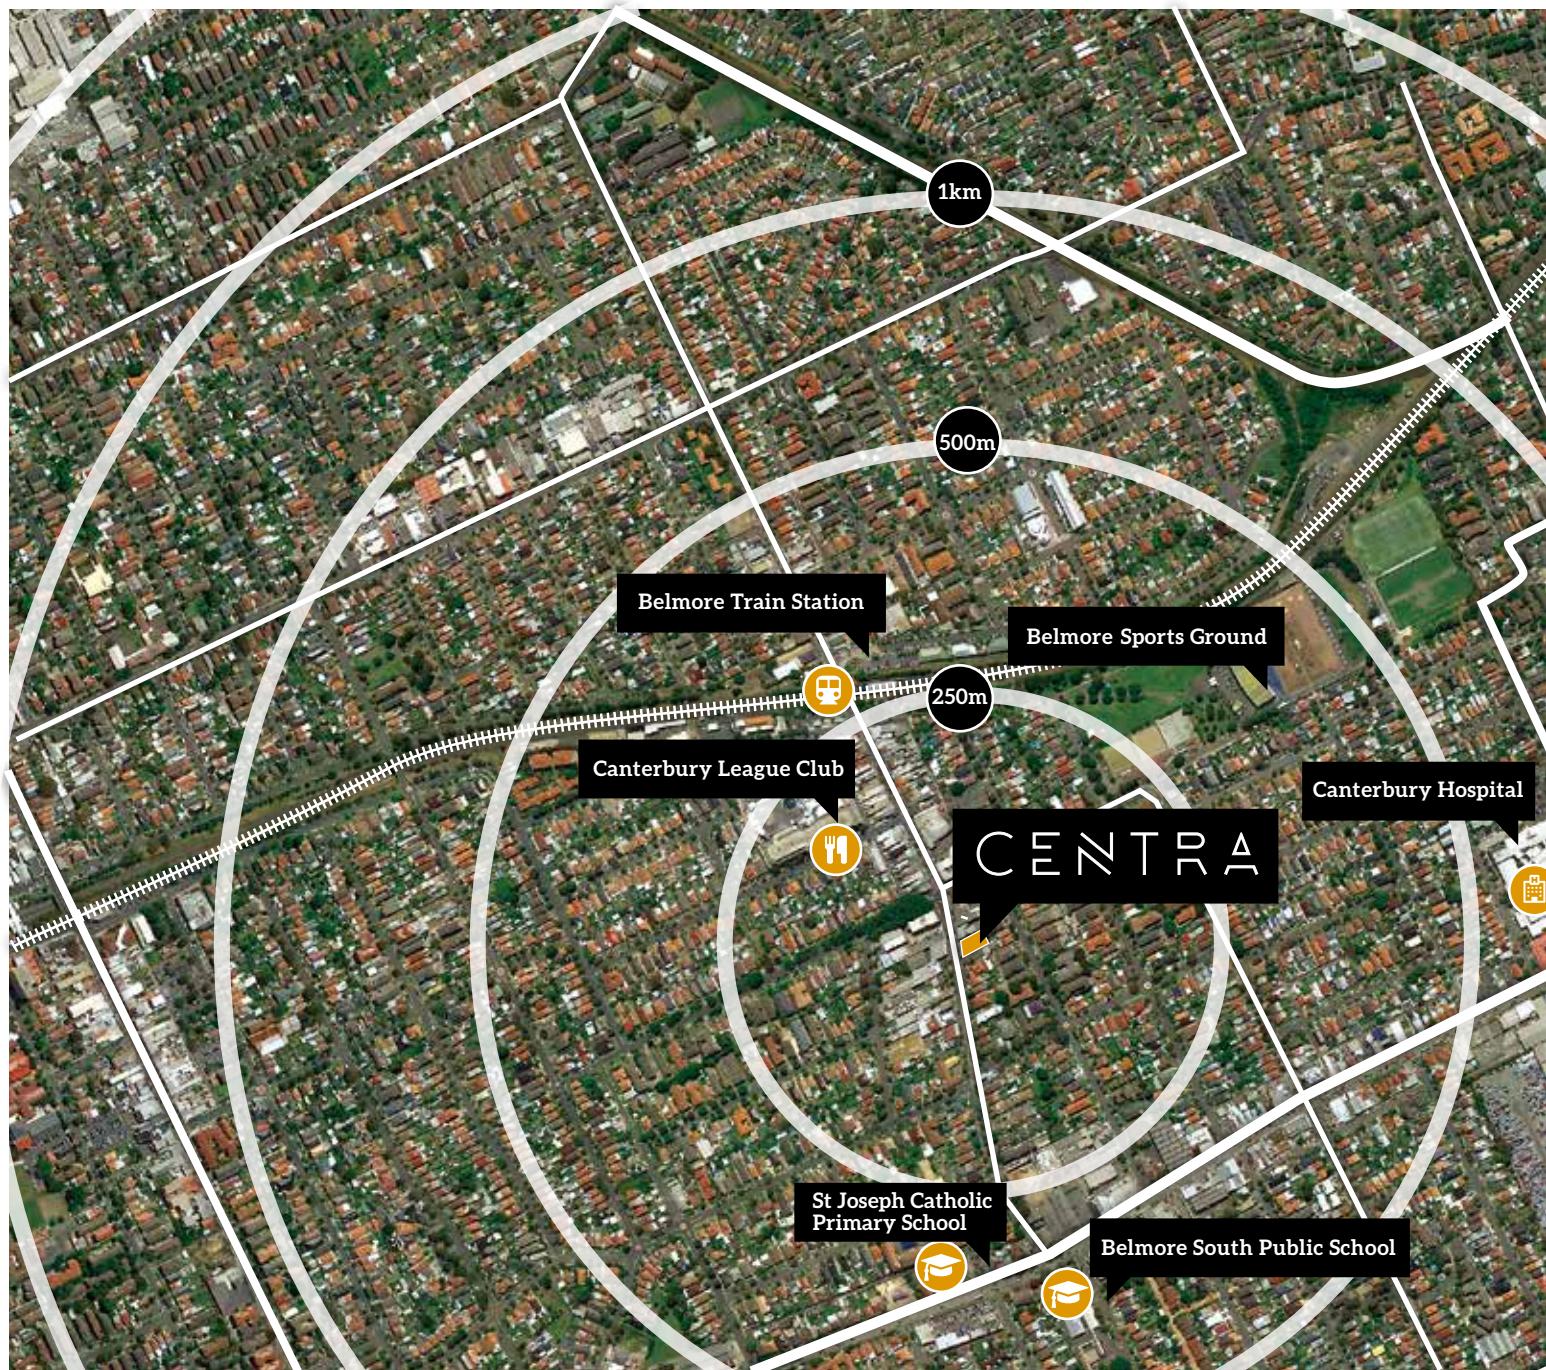

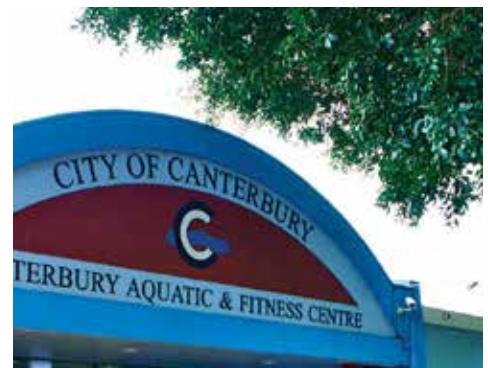

Sydney CBD

Marrickville

Belmore South Public School

Centra is modestly tucked away in Sydney's inner west offering contemporary apartment living. Your neighbouring suburbs include the ever popular Campsie and Marrickville.

Canterbury League Club

Belmore

FEATURING A UNIQUE BLEND OF CULTURE AND CUISINE, THIS CHARMING SUBURB has an unmatched offering in its locality. Comfortably tucked in Sydney's inner west, a short half an hour is all you'll need to travel into the CBD. The point of difference of Belmore is the unparalleled affordability and value.

Belmore is on the cusp of few suburbs in Sydney's inner west that will take advantage of major infrastructure and facilities rejuvenation. The Sydenham to Bankstown Urban Renewal Corridor, an initiative by the NSW State Government's Sydney Metro plan, is anticipated to provide an increased number of trains entering the CBD. It is expected that metro trains will run from Bankstown into the CBD at least every 4 minutes. Belmore train station will also receive funding for upgrades to facilitate growth and enhance amenities.

Re-zoning to allow for the Sydenham to Bankstown Urban Renewal Corridor will likely see an increased number of medium-rise complexes with ground floor retail amenities, this in turn will provide the impetus to introduce thousands of new dwellings along the current rail corridor.

A mere 300m meters away from Belmore train station, Centra couldn't be more perfectly located. The proposed retail in this development is expected to compliment Belmore's existing retail.

Munro Donen
C/- Whiterock Capital Partners
E: md@whiterockcapital.com.au

Dear Munro,

RE: APARTMENTS AT 473-477 BURWOOD ROAD, BELMORE

We have today visited the site and inspected all the associated detailed plans of these units, as well as researching comparable sites and rentals in the immediate area and we believe that rentals would be in the vicinity of the following:

1 BEDROOM 1 BATH 1 CAR	\$475 - 530 p/w
2 BEDROOM 2 BATH 1 CAR	\$590 - 640 p/w

This area simply continues to expand and gentrify with the introduction of new lifestyle developments, cafes, galleries and interesting destinations. The whole nature of this area is changing in a positive manner and we see continuing demand for this type of product in the future.

These figures are given in a good faith and may be subject to fluctuation at the time of completion.

If you have any further questions, please feel free in contacting myself on 0418 775 557 or Antonio on 0411 624 634, or through the office on 9908 4511.

Yours Sincerely

NORTH SYDNEY REAL ESTATE

CAPITAL GROWTH

AFFORDABILITY/MEDIAN PRICE

IN THE APRIL 2016 RESIDEX SUBURB REPORT, BURWOOD ROAD was listed as the street with Belmore's highest value unit, however median unit prices in Belmore are still considered to be very affordable than that of the broader Sydney market. The increased profile of surrounding suburbs such as Dulwich Hill and Tempe will likely give Belmore the boost to follow suit.

Currently on the market is a combination of old and new apartments. The increasing demand for new apartments in the area is expected to stimulate and strengthen the median unit price in Belmore.

HISTORIC CAPITAL GROWTH

CAPITAL GROWTH IN BELMORE

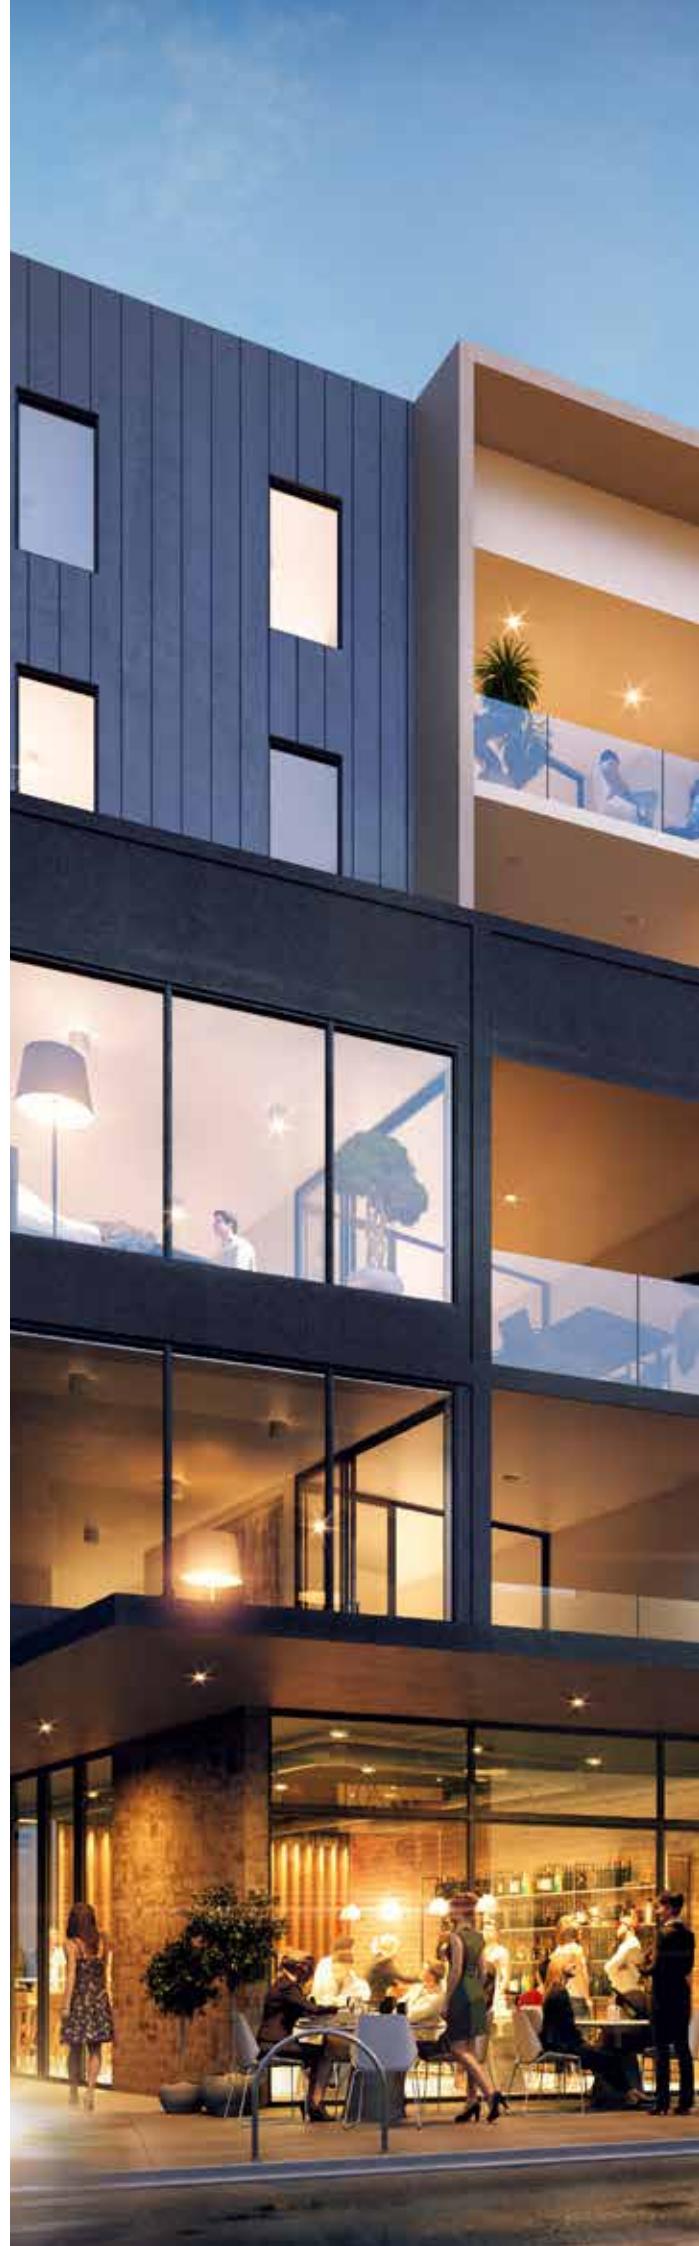

FORECAST GROWTH

MARKET DRIVEN FORCES MAY PUSH MORE INVESTORS INTO THE market in the coming years, in turn driving competition with prices likely to continue their strong performance to date.

With the median unit price in Belmore being comparably lower than the Sydney average, a number of prudent people choosing to purchase and reside in Belmore is an undeniably strong indicator of the affordability within Sydney's Inner West, especially given its proximity to the inner west and the CBD. Demand for buyers - both owner-occupiers and investors are likely to create traction for capital growth and strengthen rental yields for this flourishing suburb..

www.smartpropertyinvestment.com.au, www.residex.com.au

NATIONAL MARKET & SYDNEY MARKET

ACROSS INDIVIDUAL CAPITAL CITY MARKETS, THE ANNUAL change in sales over the past 12-18 months is quite varied and dependent upon where each city is within the property cycle. The following comments are on general historic trends according to the following sources: www.yourinvestmentmag.com.au, www.smartpropertyinvestment.com.au and the Herron Todd month in view reports.

The Sydney property market is seeing substantial growth and in the year to March 2016, dwelling prices rose in Melbourne (+10.72%), Sydney (+7.47%), followed with a considerable margin by Brisbane (+5.16%), Hobart (+4%), Adelaide (+3.27%) and Canberra (+1.94%).

In two of Australia's capital cities, however, prices actually declined over the year: Darwin (-1.52%), Perth (-1.95%).

In regional Australia dwelling prices increased by 1.9% over the last year.

Rental returns are also expected to remain healthy. Current returns show an average yield of 2.52% for houses and 2.91% for units across Greater Sydney.

Within metropolitan Sydney, transport infrastructure is becoming an increasingly important fundamental as the population continues to grow. There are seven key infrastructure

plans which aim to boost the economy and accommodate for future population growth: Barangaroo Project and James Packer's Crown Casino; CBD & South East Light Rail; Inner West Light Rail Extension; Badgerys Creek Airport; WestConnex; Parramatta Urban Growth Project and North West Rail Link.

Herron Todd White Residential month in review reports a prediction of a few pockets of Sydney that will continue to perform well in 2016 as a result of plans to build and enhance public transport infrastructure connecting people closer to arterial roads and amenities. The WestConnex is one of the NSW Government's key infrastructure projects which aims to ease congestion, create jobs and connect communities. It is valued at \$16.8 billion and is expected to produce a cost-benefit ratio of 1.88, that is for every dollar spent on the WestConnex, the project generates \$1.88 in benefits, including valuable time savings and productivity gains for commuters and freight operators.

Overall the Sydney property market has enjoyed a sustained period of growth over the past 12-18 months and the market provides exciting opportunities for investors. Sydney's long-term economic outlook, planned infrastructure spending, the projected population growth rates and its changing demographics all combine to provide exceptional long-term investment prospects.
